15 GREENWOOD AVENUE | CONWAY, NH 03818

April 2025 - Library Visits

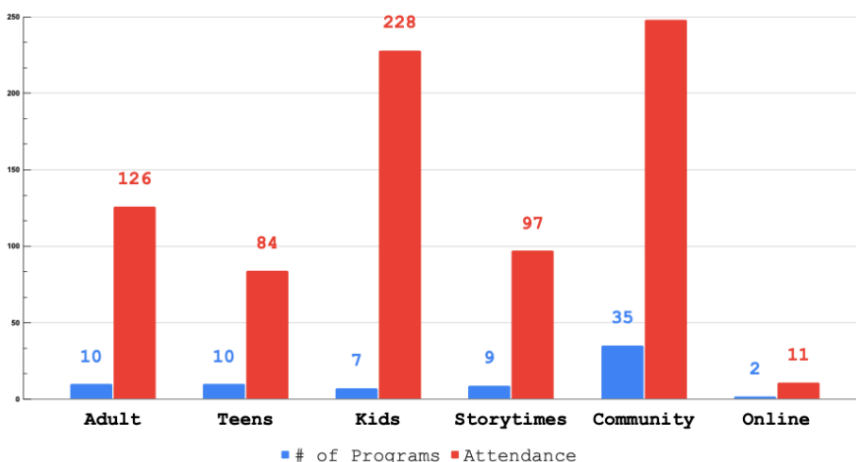

April 2025 - Circulation: 6,408 items

April 2025 Programs

73 Programs with 794 attendees

Touch-a-Truck saw over 175 kids and kids-at-heart attend this year's event!

We are extremely grateful for this wonderful partnership opportunity with the Department of Public Works and Fire & Rescue!

Drea attended the NHLA Annual Conference where she enjoyed networking with other librarians and seeing what other NH libraries are doing. She and Tessa have already integrated some things learned at the conference into their weekly story times.

Four brave souls weathered torrential downpours on Clean Up the Park Day, volunteering

their time and efforts to help maintain our beautiful library grounds.

Improvements to the library parking lot should begin on Monday, May 19th. Notices to the public about the construction have started going out this week. We anticipate keeping the building open while the work is being completed, but expect limited parking to be available at the library during that time.

Starting June 1st, items on hold will only be checked out to the patron whose name is on the library account from which the request was made. Patrons can send someone with their physical library card, or speak with library staff to authorize specific individuals, to pick up holds on their behalf. Parents are also being asked to verify that they are listed as a guarantor on their child's account.

Respectfully submitted,

Jefferson M. Beavers  
Library Director
