

# Director Report June 18<sup>th</sup>, 2025

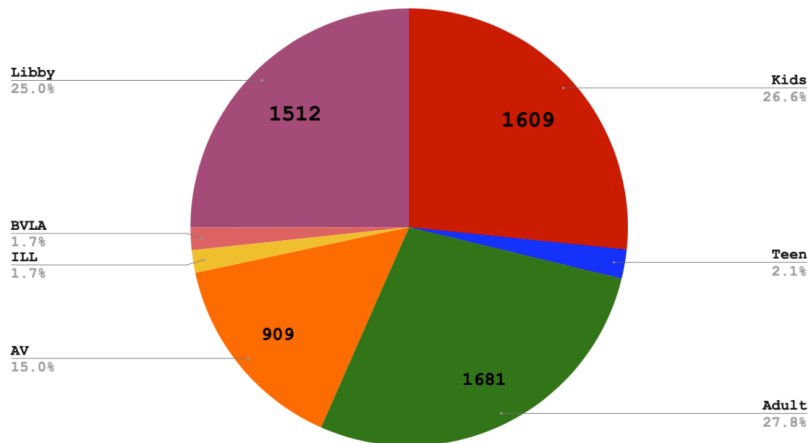

☎ 603.447.5552 | 🌐 [ConwayPublicLibrary.org](http://ConwayPublicLibrary.org)

15 GREENWOOD AVENUE | CONWAY, NH 03818

May 2025 - Library Visits

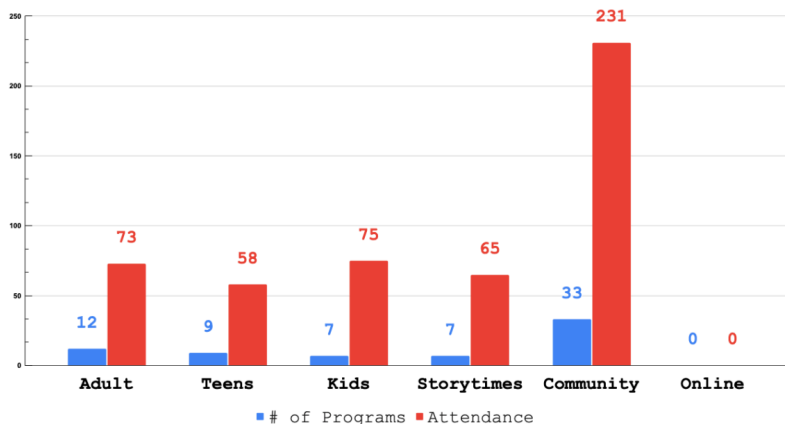

May 2025 - Circulation: 6,041 items

May 2025 Programs

68 Programs with 502 attendees

Tessa and Drea visited KHS to promote Summer Reading and created this beautiful, art-themed bulletin board.

Tessa also made a cameo appearance on WMWV's Drive Time to promote SRP and our upcoming kick-off event on June 25th with the Silver Circus.

Drea represented the library at Lakeside Primary's career day. She talked about what it is like being a librarian and did hands-on activities with the kids, including programming a robotic car and learning how to scan library books.

Drea attended a training with NH Fish & Game to once again host fish from Conway Lake for scientific observation this summer. After a long vacancy, new tenants will be returning to our simulated river ecosystem tank soon!

"The Ecology of North Woods" program hosted by Chris Dewey saw significant positive feedback following the event. Respondents indicated on our program feedback form that they learned something new and that the program encouraged discussion.

Respectfully submitted,

Jefferson M. Beavers  
Library Director
