June 2025 - Library Visits

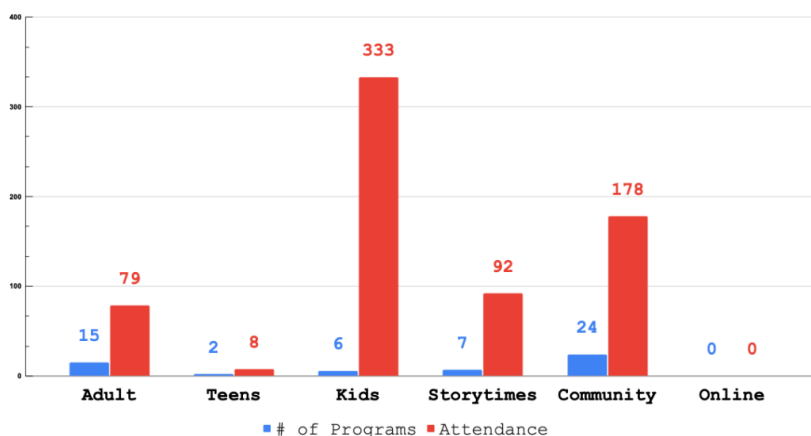

June 2025 - Circulation: 5731 items

June 2025 Programs

54 Programs with 690 attendees

Our new museum passes for the Cog, Auto Road, and Observatory have been well received by patrons. The Cog and MWOBS have chosen to extend their passes into the summer to allow more people to use them.

We just used these passes the other day. Super easy, no hassle, and an awesome experience!

Our kids (4 years and under) rode free on our laps, so we only had to pay for one ticket. Thank you for making this experience possible! Another check off our MWV Bucket List 🥰

Drea organized an Art Auction in coordination with the Summer Reading Program theme of Color our World to benefit the Park Project.

Harold & Kumar have made themselves at home in our library fish tank. Tessa put out themed books and a rocking chair for kids to sit and read to our fishy friends.

Our weekly Summer Reading events had a magical start with over 100 people coming out to see The Silver Circus perform.

Respectfully submitted,

Jefferson M. Beavers
Library Director
